

Kevin Bradford

Consort of Keith Bottomly, Sheriff of the City of London 2025-6

Kevin is Consort to Sheriff and Deputy Keith Bottomley. He is a Freeman of the City of London, a certified Pilates instructor and a member of City Consorts. He is also the uncle of Tommy, a miniature sausage dog. Kevin teaches clients in central London, across the United Kingdom, and in the United States (via Zoom). He completed his training with Body Control Pilates and currently teaches for them at their studio in Bloomsbury. Additionally, he works with Pilates students to assist them with their certification. Kevin's teaching is highly rewarding, as he helps individuals improve their fitness, mobility, well-being, and mental health.

Kevin and Keith have been together for 26 years and were married in 2018 at Islington Town Hall. Keith served as Master Pattenmaker from March 24 to 25 and was supported by Kevin who adopted the title "Mistress Pattenmaker".

When he's not doing Pilates, Kevin can be found at the theatre, ballet or anything involving Kylie Minogue.

Kevin is really looking forward to supporting Keith throughout his year as sheriff, also working with the Judges and the team at The Old Bailey and Mansion House.
