

Dear Members,

We near the end of our year we have a few final events, local and year group meetings, then we will have a quiet August prior to re-starting events in September.

Events: Fliers & booking links for these and more: [Events open for bookings \(cityconsorts.org\)](https://www.cityconsorts.org)

21st June 2021 at 11am – London’s Lost Rivers (Zoom)

Don’t forget to join us for this wonderful talk from Elliott Porte. This is absolutely fascinating, a different way at looking at the City that is under our feet! Elliott is currently Upper Warden of the Wheelwrights and this is one of his specialist topics.

30th June 2021 at 6pm – Secrets of the City- around Cheapside with Tour Guide Andrew Catto (Zoom)

We start in Guildhall Yard, meander through the local area taking in Roman & Christian Places of Worship before exploring the modern *skyscraper alley* – the heart of the financial sector. We will learn why we must be quiet to ‘hear a pin drop’ and why men may sometimes be called ‘Chaps’.

28th June – Alderman Alison Gowman has invited us to join the Livery Climate Action Group for their free seminar on ‘The Impact of Food on the Climate’ at 6pm.

Save the Date – AGM & 4th Anniversary celebratory lunch/event (Zoom) 15th October.
