

Dear Members,

Events:

This is the final call for our Zoom talk from professional guide Andrew Catto on **30th June 2021 at 6pm: Secrets of the City- around Cheapside**. We start in Guildhall Yard, meander through the local area taking in Roman & Christian places of worship before exploring the modern *skyscraper alley* – the heart of the financial sector. We will learn why we must be quiet to ‘hear a pin drop’ and why men may sometimes be called ‘Chaps’.

This is the last of our formal events until September, although we will still host some local and year group meetings.

Dr Alison McLean, Mistress Apothecary has invited members to her Consorts Livery Lunch on 21st July at Apothecaries’ Hall with a fantastic speaker.
