

Chair of City Consorts
Events and Activities
Committee –
Cover Letter on
International Women’s
Day 2018.

Dear City Consort,

I thought you might value some feedback on the International Women's Day event, as this was a little different to our previous activities. And I would appreciate it if you could help City Consorts spread the word....

So firstly, we have penned a short description of what we did. The idea behind this is that you should pass it on to your Livery magazine editor, in the hope that they might include it in a newsletter. I know, for example, that my Livery monthly newsletter included an advert for the event – and WCoMC are very likely to report the event.

Secondly, I'd like to say thank you to all who wrote to the committee with their thanks; they were so numerous I may not have replied. Apologies.

Thirdly, I'd like to follow up on the loss of a purse. As some of you will know a blue purse was lost at the event. We have followed this up with the hall and are using the video and photos taken to help trace it. However, it occurred to me that someone might have put in their bag by mistake. Should this be the case, please let me (or Von Spofforth) know, and then we shall not waste our time looking at a significant amount of video, or reporting it to the police.

Fourthly, I'd like to flag up our next event, of which you will get more details later. On 17 April 2018, we are going to do the Livery Halls walk: two groups of 20 consorts, half in the morning and half in the afternoon (meeting up at lunch!), will trace the route taken by the Masters as they walk the Livery in September. Each walk will be about 4.5 miles, so business dress, sensible shoes and a good waterproof coat will be a must. Full details and booking arrangements will be circulated shortly.

Looking forward to seeing you again.

Mary
